

DFT part

So much text so much text so much text
I think I need `tikz-lipsum`
or something like that.

update
math

DMFT prelude

Math and text math and text math and text
math and text math and text math and text

ρ update

Much more text much more text
much more text much more text

DMFT loop

ellipsoid box

formula 1

formula 2

rectangular box, and very wiiiiiiiiiiiiide
2nd line
